

TOYOKAWA ANSHIN MAIL How to register for the service

TOYOKAWA ANSHIN MAIL is the E-mail service that Toyokawa City provides information of disaster prevention, fire information, weather information, foreign language distribution, and child-rearing information to your cell-phone and PC. The registration fee is free, but the packet communication fee and the access charge are required when you register or receive the mail. The alarm, such as heavy rain, storm, tsunami and so on, is automatically distributed when it is announced from Japan Meteorological Agency. This mail service is available for both your cell-phone and PC.

Registration with a blank mail or the QR code

① Send a blank mail to the following e-mail address.

toyokawa@entry.mail-dpt.jp

※ Or scan the following QR code, then send a blank mail.
