

# Request for joining Chonaikai

Toyokawa City United District  
President's Association  
Toyokawa City

In Toyokawa city, those who moved in, or those who are already living but have not joined Chonaikai (Neighborhood Association) yet, are asked to join Chonaikai. Chonaikai is a resident organization managed by the people living in certain district.

Recently, there have been increasing number of crimes and accidents in Toyokawa city as well, **and personal connection in the district is very important to lead a life with safety and relief. Also, in case of occurrence of severe disasters such as earthquake, mutual help among neighbors and in Chonaikai is indispensable.**

Currently, there are 183 Chonaikai in the city, and **district activities are managed (such as interaction with residents, management of garbage stations, activities of children's association and the elderly's club, PE, disaster prevention/crime prevention etc.).** Through these activities, residents deepen their interaction, and try to build a district society with safety and relief.

On this occasion, please join the Chonaikai of your residential district, and deepen interaction with the district residents.
